

## Redington Limited Awarded 2022 Regional and Global AWS Partner Award

*Redington recognized as “Distributor Partner of The Year 2022 – Asia Pacific and Japan” winner, one of many AWS Partners around the globe that help customers drive innovation*

**Las Vegas, NV – November 28, 2022** – Redington Limited (NSE: REDINGTON), a leading IT technology provider, is excited to announce it is a recipient of a 2022 Regional and Global AWS Partner Award, recognizing leaders around the globe playing a key role helping customers drive innovation and build solutions on Amazon Web Services (AWS).

Announced during a Partner Awards Gala at AWS re:Invent 2022, the Regional and Global AWS Partner Awards recognize a wide range of AWS Partners, whose business models have embraced specialization, innovation, and cooperation over the past year. Regional and Global AWS Partner Awards recognize partners whose business models continue to evolve and thrive on AWS as they work with customers.

Redington's constant endeavor is to democratize the adoption of cloud services across businesses of all sizes and from all sectors. Redington creates various approaches for cloud adoption for SMBs, Enterprises and the Public Sector. Redington provides a wide range of services from Package Cloud Bundle solutions to migration journeys for customers. Redington is deeply involved in driving growth into Tier 2 and Tier 3 cities by using easy-to-adopt simplified cloud offerings for customers.

With the accessibility of affordable IT solutions, Redington helps partners in their cloud journey by assisting them in building and scaling up their business and helps SMBs to enhance productivity and overall growth. Redington also works as a cloud enabler with services like migration to the cloud, cybersecurity, automation, and data analysis which helps customers to lower their capital expenditure and achieve sustainable growth.

*“We are proud to get recognized as ‘Distributor Partner of The Year 2022 – Asia Pacific and Japan’ by AWS, highlighting the multifaceted approach we take towards cloud journeys. It is an honor to receive this award and a testament of our achievements through our collaborations with our partners and employees.”*

*“Redington is a leader in the cloud distribution space and AWS has been a key enabler of this growth. With AWS, we are looking forward to building a Cloud Centre of Excellence (CCOE) to enable simplified cloud adoption for customers and execute their cloud-first strategy, foster distribution of best practices in cloud computing, identify and attract new talent, and develop customized cloud solutions,”* **said Rakshit Bhatt, Head Cloud, Business Group, Redington Limited.**

For the first time, Regional and Global AWS Partner Awards included a self-nomination process across a number of award categories and specialization areas awarded at both the regional and global level where all AWS Partners were invited to participate and submit a nomination. A panel of AWS experts selected the winners based on strict criteria. Redington is excited to announce it has received Distributor Partner of The Year 2022 – Asia Pacific and Japan.

The AWS Partner Network (APN), is a global program, focused on helping companies build successful AWS-based businesses or solutions by providing business, technical, marketing, and go-to-market support. The APN includes independent software vendors (ISVs) and systems integrators (SIs) around the world, with AWS Partner participation growing significantly during the past 12 months.

*“AWS Partners are at the center of unlocking value for global customers, across a wide range of industries,” said Ruba Borno, Vice President, Worldwide Channels and Alliances at AWS. “We are honoured to launch the inaugural Regional and Global AWS Partner Awards, and thank all the nominees and winners for accelerating our customers’ cloud transformation journey.”*
